CREOKS Children and Adolescents Crisis Services

provides rapid response crisis management services for children and adolescents age 0-17 in an effort to maintain children in safe and stable living arrangements. We strive to minimize the impact that repetitive crisis episodes have on a child's educational, social and emotional development.

What is a crisis?

- Threats of suicide or suicidal thoughts
- Self-injury
- Aggressive behavior to harm others
- Severe depression
- Overwhelming anxiety or panic attacks
- Stress associated with sudden loss of housing, basic necessities or support
- Severe emotional or behavioral disturbance

Who should call?

- Parent or Guardian
- School Counselor
- Foster Care Representative
- Law Enforcement
- Physician
- Anyone who knows of a child or adolescent in crisis

CREOKS Behavioral Health Services is an established, non-profit behavioral health agency that has been serving communities in Oklahoma since 1980. Our reputation has allowed us to work with local agencies, schools, and civic organizations to help individuals and families.

Our organization offers a wide-range of services in our clinics and through home or school-based programs. We help individuals needing brief counseling, substance abuse treatment or those struggling with behavioral issues.

CREOKS is certified by the Oklahoma Department of Mental Health and Substance Abuse Services and is accredited by CARF International.
